

Names & Contact Info of your Club Member Nominees

Nominating Club Member: _____

Your Phone #: _____ Your Email: _____

DIRECTIONS: Provide the name and as much contact information as you can for at least one individual — (more would be even better!) — whom you would like to receive an invitation to our annual **NOW Event**. This year's event is on **May 30th from 5:30-7:00 p.m. at First English Lutheran Church** in the downstairs fellowship area. The Membership Committee is planning a homemade lasagna dinner with salad, bread and dessert. It will be great to share our Optimism with others!

Besides name and contact info, a line is also provided to include any additional information that you can share about your nominee[s] which may be useful to the membership committee (e.g., family info, how you know the person, where the person works, etc.).

If you received this form at one of our morning meetings, you probably can't complete it right away, but when you have one or more names and contact info ready to submit, return this sheet to Charlie Clark or Terri Ellis at one of our future Friday morning meetings, OR mail to Terri Ellis, 1245 Union St., Platteville WI 53818, OR submit names and info by email to EllisT60@yahoo.com.

NOTE: The preferred deadline for submitting names is late April, but it's more helpful to the membership committee to receive names earlier, so the sooner you can get one or more names of nominees to us, the better! Depending on when (or if) your "potential member" responds to our invitation, we'll let you know what their decision is, or if there is some follow-up on your part that might be helpful.

To be successful, our **New Optimists Welcome** event needs **YOUR** involvement!

THANK YOU for your support!
