

~~WANTED!~~ NEEDED!

Names & Contact Info of Nominees for 2026 NOW Event

Club Member: _____

Your Phone #: _____ Your Email: _____

DIRECTIONS: Provide the name and as much contact information as you can for at least one individual — (more than one would be “twice as good” and three would be even better!) — whom you would like to receive an invitation to our annual **NOW Event**. This year’s event is on **Saturday, June 6th, most likely for a 90-minute brunch & informational program (starting circa 9:30 or 10:00 AM) at First English Lutheran Church** in the downstairs fellowship area.

Besides name and contact info, include any additional information that you can share about your nominee[s] which can often prove useful to the membership committee (e.g., family info, how you know the person, where the person works, if you nominated them in the past, etc.).

Whether you receive this form at a morning meeting or attached to an email, please... PLEASE! Take some time and give it some thought. Then, when you have at least one nominee in mind (hopefully more), return this sheet to Terri Ellis at a morning meeting, OR by mail (1245 Union St., Platteville WI 53818). Better yet, simply submit names and other requested info by email to EllisT60@yahoo.com.

NOTE: The preferred deadline for submitting names is Friday, May 15, BUT.... It’s more helpful to the membership committee to receive names as soon as possible so we can get materials readied sooner rather than “at the last minute!” Also, we ask for your info at the top of this page so that, depending on when (or if) your potential member nominees respond to our invitation, we can let you know what their decision is, or if there is some follow-up on your part that might be helpful.

To be successful, our NOW (New Optimists Welcome) event needs **YOUR** involvement!

THANK YOU for your support!
